Allah (SWT) Loves those who make dua to Him

سَلُوا اللَّهَ مِنْ فَضْلِهِ فَإِنَّ اللَّهَ عَزَّ وَجَلَّ يُحِبُّ أَنْ يُسْأَلَ

“Ask Allah of His Bounty. For verily, Allah the Mighty and Sublime,
loves to be asked” (Tirmidhi)

فَاِنَّ اللّٰهَ عَزَّ وَجَلَّ يَحِبُّ اَنْ يُسْأَلَ

ALLAH LOVES THOSE WHO ASK HIM

How to fix our situation

A person goes through different situations in life.
Sadness, happiness, success, failure etc.
What does Allah want us to do and how to fix our
situation ?

The best mean is the Dua. The best treatment of
worries and grief is dua.

Hadith: "For whomsoever the door of dua is opened
then the door of Mercy has been opened for him"

Dua is the weapon of a believer. This dua is a weapon
against worries, grief, sadness and difficulties.

Dua is our need.

فَاِنَّ اللّٰهَ عَزَّ وَجَلَّ يَحِبُّ اِلٰى يَسْئَلِ

how to fix our situation

We should first make efforts and then ask Allah to put barakah in our efforts.

It is a way to express to Allah that we are His servants. To show that We are dependent on Allah.

Those who think that they don't need to make dua, such a person is not liked by Allah. On the other hand if we make dua Allah loves that.

فَاِنَّ اللّٰهَ عَزَّ وَجَلَّ يَحِبُّ اِذَا يُسْأَلُ

ALLAH LOVES THOSE WHO ASK HIM

Asking Allah vs asking human beings

When we ask human beings again and again their love for us decreases. Even when they give to us, there is hardness in their heart to give us.

But if we ask Allah, He is happy to give every time. Those who ask everything and everything only from Allah, then Allah becomes so happy with the person that he makes that person His friend.

This is the way we become beloved to Allah. Allah commands in the Quran that we must make dua to Him and when we make dua He will accept it.

فَاِنَّ اللّٰهَ عَزَّ وَجَلَّ يَجِبُ اَنْ يُسْأَلَ

ALLAH LOVES THOSE WHO ASK HIM

Dua is not a spare wheel

We should understand the importance of making dua.
All the Prophets in the Quran, we see that they
always turned to Allah in dua.

Whoever calls to Allah , Allah not only listens to the
duas but also accepts it. Making dua is an
independent act of worship.

Dua is not a spare wheel, that when the tire is flat
then we take it out. But dua is our steering wheel. It is
not only for the difficult times. But even when things
are going smooth, we must be making dua to Allah for
more ease and barakah.

فَاِنَّ اللّٰهَ عَزَّ وَجَلَّ يَجِبُ اَنْ يُسْأَلَ

3 ways in which duas are accepted

1. Gets the same thing what was asked.
2. Gets something better
3. If it is not accepted in the duniya nor something better is given then it is reserved for the akhirah.

Dua of the believer is always accepted, but Allah chooses the manner which is the most beneficial for us. Allah knows what is best for us and Allah will pick one of the three ways.

فَاِنَّ اللّٰهَ عَزَّ وَجَلَّ يَحِبُّ اِلَىٰ يَسْأَلُ

ALLAH LOVES THOSE WHO ASK HIM

When is dua not accepted ?

1. When someone complains that their dua is not getting accepted.
 2. When someone say that they are tired of making dua but it is not getting accepted.
- 

وَالَّذِينَ يَسْأَلُونَ اللَّهَ عَزًّا وَجَلًّا يُجِبُ لَهُمْ مَا سَأَلُوا

ALLAH LOVES THOSE WHO ASK HIM

3 Usool why there is a delay in the dua

1. To test whether we are a strong believer or a weak believer.

Strong believers are those who don't leave knocking the door of Allah. Because they know they don't have any other door to knock.

Weak believer just knocks the door of Allah a few times and if the door is not opened, then he goes away.

Allah is not needy of us. We are needy of Allah ﷻ. We should attach ourselves to Allah. We need to make dua with consistency. And never be disappointed.

• Like a child, who consistently and insistentlly asks from the mother, the child also cries to get what he wants and then the mother gives to him.

فإن الله عز وجل يحب من أسأله

3 Usool why there is a delay in the dua

2. Sometimes we do not have that conviction in the dua.

Hadith Qudsi: "I am to My servant as he thinks of Me."

Allah says in the Quran "make Dua, and I will answer you."

We have to think well about Allah. And have this conviction on the promise of Allah.

Why don't we have this yakeen? It is because of shaitan. Shaitan wants to create the separation between us and Allah.

بَانَ اللَّهُ عَزَّ وَجَلَّ يَجِبُ أَنْ يُسْأَلَ

ALLAH LOVES THOSE WHO ASK HIM

3 Usool why there is a delay in the dua

The reality is that, Allah is commanding us to make dua and does not specify that only pious ones need to make dua.

But every single one of us are included in this command.

Whether we think we are pious or we are sinners.

Allah will accept everyone's dua. There is no differentiation in the Eyes of Allah. We should have this conviction.

- If Allah accept the dua of shaitan. Then when these thoughts of doubts come to us that Allah will not accept my dua then we should say to shaitan “when Allah answered your dua and is giving you respite till day of judgement then why will Allah not accept my dua?”

فَاِنَّ اللّٰهَ عَزَّ وَجَلَّ يَحِبُّ اَنْ يُسْأَلَ

ALLAH LOVES THOSE WHO ASK HIM

3 Usool why there is a delay in the dua

3. Sometimes we don't have the humility.

Dua is supposed to be made with humility like a beggar.

We have to show that the need is dripping from us.

In Quran “ Make dua secretly with humility”.
In our relation with Allah we should make dua by shedding tears. And if we cannot shed tears then atleast make a face of crying.

فَاِنَّ اللّٰهَ عَزَّ وَجَلَّ يَحِبُّ اِلَىٰ يَسْأَلُ

Month of making Dua'

Need of the month of Ramadan is that we should make dua and make dua with these principles in mind. We make dua of our own sake. But the beautiful deen teaches us that even by doing something we are needy of, makes us the beloved of Allah ﷻ.
